

Mathematical Sciences

Senior Lecturer: Mathematics (Ref. NW08/238/0819)

The Mathematical Sciences Department is responsible for teaching and research in Mathematics, Applied Mathematics and Computer Science at Stellenbosch University. The Mathematics Division is keen to strengthen its research in Algebra, Analysis, Category Theory, Combinatorics, Logic, Number Theory, and Topology.

Duties:

- Research and publication in peer-reviewed journals in a field aligned to one of the research focus areas in the Mathematics Division;
- Teaching undergraduate and postgraduate Mathematics modules;
- Recruiting and supervising postgraduate students in Mathematics;
- Participating in the activities of a research group in the Mathematics Division;
- Securing research funding;
- Participating in academically relevant departmental and faculty activities, as required.

Requirements:

- PhD in Mathematics in a field aligned to one of the research focus areas in the Mathematics Division;
- A growing research profile in at least one of the research focus areas of the Mathematics Division;
- Evidence of a sustained publication output in good quality international journals;
- Proven experience in offering undergraduate and postgraduate Mathematics modules;
- Proof of successful postgraduate supervision on at least at Master's level;
- Good verbal and written communication skills in English.

Applicants are required to submit a detailed research statement and teaching philosophy. Applicants invited for interviews will be expected to present a lecture on their recent research.

Commencement of duties: 1 January 2020 or as soon as possible thereafter

Closing date: 27 September 2019
